Re: *Mason Tenders District Council Welfare Fund et al.*  
*v. Rici Corp. et al.*, Docket No. 22-cv-10133-RA

Dear Judge Abrams:

The parties respectfully submit this joint request for a thirty (30) day adjournment of the October 18, 2023 status conference to finalize a settlement agreement settling all claims in this action.

In the parties' October 10, 2023 status report (ECF Doc. 33), we reported being very close to settlement. We are happy to update the court that, through the good faith efforts of the parties and undersigned, the parties have agreed to settle all claims to this action and have reached a final settlement amount.

Although the parties have drafted and circulated a settlement agreement, additional time is needed to properly account for payments previously made by Defendants and the NYC School Construction Authority via assignments toward the claims subject to this action. To this end, the parties need additional time to obtain necessary backup documentation and to analyze and properly allocate past payments to the final settled amount.

For the foregoing reasons, the parties respectfully request a thirty (30) day adjournment of the October 18, 2023 status conference, as well as the deadlines in the current case management order. Please contact the undersigned with any questions.
